Aims of our trips and experiences:

Our programme of trips, visits and enrichment experiences is designed to support the holistic development of every child, helping pupils grow in character, confidence and aspiration. Through memorable experiences beyond the classroom, we build confident, resilient and independent young people, broaden horizons and inspire ambition, while bringing learning to life through meaningful, hands-on opportunities.

The Big 16 Before Secondary

By the end of their time at Woodford, our children will have experienced a wide range of memorable experiences to inspire, challenge and support them.

Faith and Festivals Children will experience multiple places of worship to have a better understanding of the religious beliefs within our community. 	Voices That Matter Children will debate, present or speak publicly to an audience, developing confidence and the ability to express their views respectfully. 	Words off the Page All children will meet and interact with at least one real-life author. 	What does the future hold? Family members and people within the local community share an insight to their career paths as they look to inspire the children of Woodford. 
Singing Round the Campfire: All children will have the opportunity to experience more than one residential visit, building independence and self-care skills away from home. 	Sunscreen and Ice Cream We will embrace our local surroundings by taking a trip to the seaside where pupils will have opportunities to learn as well as enjoy popular traditions. 	Treading the Boards All children will have experienced a live performance at a theatre whether it is a musical, pantomime or play. 	Exploring Life on our Doorstep: To both explore and support our local community. 
Giving Back Children will have the opportunity to serve in a leadership role or volunteer on one of our many community projects. 	Profit or Loss An opportunity for children to bring their business plan to life as they attempt to make a profit. 	Curiosity in the City Experience the sites and landmarks that Devon has to offer and visit some of the many wonderful museums. 	An Artistic Endeavour Visit at least one of Plymouth's galleries or exhibitions. 
Paws and Fins Children will enjoy close-up encounters with a variety of animals and wildlife, while discovering the wonders of the ocean through exciting aquarium and zoo experiences. 	Taking Centre Stage In KS1 and KS2, children will perform in front of an audience through music, drama, dance or public speaking, developing confidence and self-expression. 	Into the Wild All children will experience a range of activities linked to outdoor pursuits. 	Making a Difference Children will raise awareness or funds for a cause they care about, seeing how collective action can create positive change. 

Community Projects:

At Woodford Primary, we believe character development extends beyond the classroom. Throughout the year, children take part in a range of experiences and community projects, from environmental activities to engaging with local organisations and communities. These opportunities help pupils develop respect, responsibility, empathy and a sense of belonging, while building valuable life skills and understanding how they can make a positive difference in their community.

Woodford Primary School: Community Projects					
Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS Looking after the Environment: creating a cleaner community. 	YEAR 1 Plymouth Soup Run Collection: supporting people in need around the world. 	YEAR 3 Woodford Community Hub: grandparents community event in Woodford. 	YEAR 6 Charity Work: raising money and making donations. 	YEAR 2 and YEAR 5 Helping the Elderly: sharing happiness and joy with those around us in Woodford and outside of school. 	YEAR 4 Learning Buddies: pupils of different ages learning together. 

Inspire Visitors:

We are excited to launch what will become an annual **Inspire Week**, giving children the opportunity to learn from a wide range of visitors and real-life experiences. Throughout the week, we will invite parents, carers, family members and members of the wider community into school to share their interests, careers, skills and experiences with our pupils.

We are keen to showcase a diverse range of backgrounds, professions and life journeys, helping children to broaden their horizons, discover new possibilities and develop aspirations for their own futures. In the lead-up to Inspire Week, we will be contacting parents and carers to find out who might be willing to contribute and support this exciting event. Whether you have a profession, hobby, talent or experience to share, we would love to hear from you and help inspire the next generation.

Community Events:

Each term at Woodford Primary, we host vibrant community events that bring together families and friends to celebrate the heart of our school. These gatherings mark important religious and cultural occasions, honour pupil achievements, and showcase the spirit of our academy. Whether it's a festive celebration, an end-of-term performance, or a special assembly, these events provide a joyful opportunity for our community to connect, reflect, and celebrate the successes and diversity of our pupils.

Woodford Primary School: Family, Community and Sporting Events

Trips and Visitors:

At Woodford Primary, our trips and visitors enrich the curriculum by offering pupils meaningful experiences beyond the classroom. Carefully planned educational visits to museums, historical sites, theatres, and nature reserves bring learning to life and deepen pupils' understanding of key topics. In addition, we welcome a wide range of visitors, including authors, scientists, artists, and local professionals, who share their expertise and inspire curiosity. These opportunities broaden pupils' horizons, spark new interests, and help them make real-world connections to their learning.

After-School Clubs:

At Woodford Primary School, our after-school clubs provide pupils with a wide range of opportunities to explore new interests, develop existing talents, and build confidence beyond the classroom. We offer a varied programme of clubs throughout the year, including sports, music, art, technology, and other enrichment activities designed to engage and inspire children of all ages.

Our clubs encourage pupils to develop new skills, work collaboratively with others, and pursue their interests in a fun and supportive environment. By taking part in these activities, children can broaden their experiences, discover new passions, and develop important life skills such as teamwork, resilience, leadership, and creativity. These opportunities contribute to pupils' personal development and help foster a lifelong love of learning.
