

PE and School Sport Action Plan

Woodford Primary School 2023–2024

Background - The primary school sport premium investment goes direct to primary school Head Teachers and is designed to support improvements in the quality and depth of PE and school sport. In 2017/18 the amount schools receive each year has doubled.

Key Indicators - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport
2. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
3. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
4. Increased confidence, knowledge and skills of all staff in teaching PE and sport
5. Broader experience of a range of sports and activities offered to all pupils with increased participation in competitive sport

Funding - Individual schools will receive circa £16K –17K per annum (depending on the number of pupils) which they can use to support these outcomes through various options including; release of staff for CPD, employing specialists to work alongside teachers, cluster work with other schools and partnerships, transport, equipment, hall and pool hire etc.

Key Indicator 2: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical Activity

Intended Actions with impact on children	Funding allocated	Evidence and impact	Sustainability and next steps
<p>Development of leadership skills through sports leader's programme. Playleader Training through ARENA. Use Personal Challenges to impact activity at lunch times.</p> <p>MTA training through ARENA to support playground leaders.</p> <p>Inspire a culture of participation and enjoyment from being physically active. To continue to use the absolute education participation monitoring tool to ensure it is known how many children are participating in 30 active minutes and in after school clubs and competitions.</p> <p>Implementation of the Absolute Education programme to monitor participation rates across the school.</p>	<p>In house</p> <p>£225</p> <p>£270</p>	<p>Playleaders training will be completed by ARENA for 60 children. A rota for Playleaders will be established following their training and the leaders deployed to deliver personal challenge events. Data from personal challenges will be collected and success celebrated in assemblies. Arrange one week of physical activities to engage, inspire and motivate children to participate in regular physical activity. Book a variety of external activities and coaches for each Year group. Use of this tool has supported the subject leader in identifying which children are attending clubs and where to give targeted support.</p>	<p>Sustainability Our affiliation with ARENA will mean that we are able to continue to access sport leaders training and help young people to develop their leadership skills as well as impacting other children's' activity levels.</p> <p>Next steps Ensure there is a 3 year plan in place to continually update, maintain and improve the playground area.</p> <p>Encourage the children to develop their own games and activities to promote positive playgrounds. Evidence collected through photographs and student voice surveys to determine which areas were most enjoyable.</p> <p>Ensure there is a rotation of activities to continue to engage the children. Review active maths programme</p> <p>Next steps:</p>

<p>All children in Y5 able to ride a Bike competently and safely on the street.</p> <p>Increasing activity levels across the school. Register for the Schools Challenge through the PSSP. To implement a lunchtime club change for life</p>	<p>£175</p>	<p>Assessment and feedback provided by the Bikeability instructors following the training. Children's survey to be completed before and after the training the establish whether this has an impact on active travel. 84 Y6 children received this in October 2022. Y5 booked in for July 2024.</p> <p>Registers to be maintained and number of miles recorded. Success celebrated and reported to parents.</p> <p>Register to be maintained to track engagement levels. PE Coordinator to maintain an Activity Tracker to monitor participation across the school. End of unit PE assessment to be used to track children requiring intervention.</p>	<p>Ensure there is a rotation of activities to ensure engagement of children.</p> <p>Next steps To continue to use participation monitoring tool to identify children who are in active and may need interventions.</p> <p>Our continued affiliation with the PSSP will mean that we are able to access this training annually, providing as many children as possible with the opportunity to develop a life skill.</p> <p>The final mile being completed on the Hoe in-front of family/ friends encourages more children to take part and develops a passion for being physically active.</p> <p>Providing targeted children with the opportunity to take part in a relaxed and fun running event will hopefully lead to further engagement.</p>
